I - The latest developments at Monte-Carlo Société des Bains de Mer

2019 marked the start of a new dimension for Monte-Carlo Société des Bains in terms of business tourism and events' organisation.

On 4th June 2019, we opened the One Monte-Carlo conference centre in the new One Monte-Carlo district, next to the mythical Place du Casino.

With 1,445 m² of space dedicated to all kinds of events (meetings, cocktails, gala dinners, product launches, etc.), nine rooms from 48 to 301 m², an 80-seat auditorium and its immediate proximity to Hôtel Hermitage Monte-Carlo, Hôtel de Paris Monte-Carlo and Café de Paris Monte-Carlo, the One Monte-Carlo conference centre is creating a new business tourism hub around Place du Casino.

This new hub offers our customers a total of 486 bedrooms (278 at Hôtel Hermitage Monte-Carlo and 208 at Hôtel de Paris Monte-Carlo), 33 rooms and lounges (10 at One Monte-Carlo, 14 at Hôtel Hermitage Monte-Carlo, eight at Hôtel de Paris Monte-Carlo and one at Café de Paris) and infinite possibilities in terms of organising events in a world-unique setting.

Monte-Carlo Société des Bains de Mer Group thus doubles its capacity and its offering dedicated to business and events at the heart of Monaco. This offering is made up of seafront establishments: Monte-Carlo Bay Hotel & Resort, Monte-Carlo Beach and Sporting Monte-Carlo round out the Monte-Carlo Société des Bains de Mer offering dedicated to business customers and events, unique on the Côte d'Azur.

III - The Monte-Carlo Société des Bains de Mer Experience

Creating delight to drive results

Just **30 minutes** from Nice Côte d'Azur international airport by car – and 7 minutes by helicopter – Monaco is a **mythical** destination which adds unrivalled **impact** to the events it hosts.

In a **dream setting** which enjoys over **300 days of sunshine per year**, the Monte-Carlo Société des Bains de Mer resort is remarkable for the **variety and quality of its facilities**.

In addition to absolute security and an accommodation range in line with every need, there is an incredible choice of **over 30 restaurants and bars**. There is the mythical **Café de Paris** and its terrace on Place du Casino, the famous three-star restaurant **Louis XV - Alain Ducasse à l'Hôtel de Paris Monte-Carlo**, to name just a couple. **Le Vistamar** (one Michelin star) will delight lovers of refined seafood gastronomy, **L'Hirondelle** will please people looking for light and tasty cuisine, the **Buddha-Bar Monte-Carlo** will enchant those seeking exoticism and wanting to combine gastronomy and night life, etc. And of course, we have to mention the organic gastronomic cuisine in the **one-star Elsa** restaurant and the creations of Chef Marcel Ravin at any time in **L'Orange Verte** and the **one-star Blue Bay restaurant**. These innumerable possibilities for business travellers make the "diner around" formulas very attractive, whereby each person has a credit for their meals and can choose the restaurant they prefer.

Famous and even star-awarded chefs show off their talent at the banquets which take place in the most prestigious venues of the Monte-Carlo Société des Bains de Mer resort. **In the golden Salle Empire or the Salle Belle Epoque**, in the shade of the palm trees on the Deck or under the star-studded Salle des Etoiles, these moments of gastronomy leave a lifetime impression.

Gastronomy, leisure activities, well-being and mythical venues are all factors which contribute to making Monte-Carlo Société des Bains de Mer resort an unrivalled incentive destination as well as a venue for meeting and events where we **create delight to drive results**.

Unrivalled ease of organisation

Choosing Monte-Carlo Société des Bains de Mer resort for a corporate event means benefiting from unrivalled **ease of organisation** because **everything is accessible by foot or quick transfer**. For example, in just a few seconds, Hôtel Hermitage Monte-Carlo residents can get to the Café de la Rotonde at Casino de Monte-Carlo (100 people for a cocktail) and in just a few minutes get to Sporting Monte-Carlo and the legendary Salle des Étoiles (up to 950 people for seated dinner). Board meeting participants can visit the cellars of Hôtel de Paris Monte-Carlo and enjoy an exceptional dinner with guided tasting. For trendy evenings or to close a sales meeting, Jimmy's disco is barely five minutes away. Likewise, the Bar Américain, the Buddha-Bar Monte-Carlo or La Rascasse, and of course the group's four casinos. For team-building, post-seminar or incentive activities, it is possible to take cookery classes, to take part in water sports, to play tennis or golf or to take part in environmentally responsible activities.

A responsible MICE offering

Monte-Carlo Société de Bains de Mer is committed to the environment and sustainable development. The Group's teams strive on a daily basis to reduce use of energy and water and to implement practices that are environmentally friendly in terms of meetings, seminars and professional events.

In this way, the ecological impact of events is controlled.

The Group has received numerous certifications and, in particular, six establishments are Green Globe certified, of which three received Gold level. This programme, designed for the luxury travel and tourism industry, is recognised worldwide.

Recent development work at Hôtel de Paris Monte-Carlo and One Monte-Carlo was **BREEAM** certified. This label for high environmental quality certifies the transformation of Hôtel de Paris Monte-Carlo, the development of the One Monte-Carlo district and its new Conference and events centre.

All of the Group's hotels signed the **National Pact on Energy Transition** at the Grimaldi Forum on 23rd March 2018 and Monte-Carlo Bay Hotel & Resort was selected as a pilot establishment in Monaco to introduce Smart+ meters and photovoltaic panels (1,200m²).

The Monte-Carlo Société des Bains Group also signed this pact on the global level in December 2018 and at the same time launched its third in-house sustainable development charter. The company's in-house printing press has the Imprim'Vert label.

Lastly, Monte-Carlo Société des Bains de Mer **encourages the use of green transport** by providing electric vehicles and electric bike parks on site or nearby. Monte-Carlo Beach has three electric terminals including one Tesla in its car park.

More environmentally-friendly meetings

- All supplies in the rooms are ecological: dry wipe boards and non-toxic pens, recycled paper and pens.
- During meetings, glass bottles are used to minimise waste.
- Each room has a recycling bin.
- The printers use recycled paper and are configured to print on both sides. All rooms have teleconference solutions for remote meetings.
- 95% of rooms and lounges have **natural light to reduce energy expenditure**. Temperature, air-conditioning and lighting are finely managed depending on use, number of participants and the duration of the events. Air-conditioning is switched off when rooms are not in use.
- A wide choice of environmentally-friendly team-building and incentive activities is proposed and available on request.

A proactive recycling policy to encourage reuse and minimise waste

- The Resort has committed to a proactive recycling policy with **nine specific types of recycled waste**: paper, glass, electrical and electronic equipment waste (WEEE), tubes and bulbs, batteries, ink cartridges, cooking oils and food fat, recyclable household waste, textiles and clothing.
- Monte-Carlo Beach recycles its organic waste through dehydration

A healthy and responsible catering offer

Sustainable development is also in force in the Resort's kitchens for your cocktails, banquets and events thanks to Chefs who promote healthy and authentic cuisine using **fresh, local and seasonal products**.

Monte-Carlo Bay Hotel & Resort has **its own organic vegetable garden**, in close collaboration with the start-up Terre de Monaco, founded by Jessica Sbaraglia, creator of urban organic vegetable gardens.

A year ago, Monte-Carlo Bay Hotel & Resort, Hôtel Hermitage Monte-Carlo and the Thermes Marins Monte-Carlo established a **charter with "Mister Goodfish"** to respect marine resources thanks to a list of all species recommended per season.

All allergens are specified on banquet menus and our restaurant menus.

The Resort also has the **first star-awarded Ecocert-certified organic restaurant**: the Elsa restaurant in Hôtel Monte-Carlo Beach. The Monte-Carlo Beach aims to become the first hotel to receive organic certification in all of its food services: gastronomic restaurant, room service, minibar and hotel bar.

IV- A unique meeting and incentive offering

A- A new business tourism hub around Place du Casino

Monte-Carlo Société des Bains de Mer opened its brand new One Monte-Carlo conference centre on 4th June 2019, giving a new dimension to the business tourism and events offering of Monte-Carlo Société des Bains, with a new centre of attention created around the mythical Place du Casino.

With this new conference and event centre, Monte-Carlo Société des Bains de Mer almost doubles the space available for business tourism around Place du Casino, currently composed of Hôtel de Paris Monte-Carlo and Hôtel Hermitage Monte-Carlo.

- **Hôtel Paris Monte-Carlo, an iconic palace:** 209 rooms and suites, 1 bar, 3 restaurants including 2 with Michelin stars (Le Louis XV - Alain Ducasse à l'Hôtel de Paris, 3* and Le Gril, 1*), 8 meeting and banqueting rooms from 29 to 494 sq. m including a listed reception room that can host up to 464 people: the Empire Room.

- The Salle des Arts: a 301 sq. m conference room that can accommodate up to 300 people. This room is a perfect replica of the eponymous room of the former Sporting d'Hiver, imitating the classic Art Deco style.
 - The Salle Jean Cocteau: 178 sq. m adjacent to the Salle des Arts.
 - The auditorium: 154 sq. m and capacity for 80 people.

B- A business tourism offering on the seafront

Monte-Carlo Bay Hotel & Resort Spectacular and relaxed

A waterside location

Just a few minutes from Place du Casino, built in 2005 on a private peninsular, this hotel provides a combination of work and relaxation in an informal and exceptional setting. Surrounded by the sea, it opens onto a lush four-hectare garden through which a sandy-bottomed lagoon meanders. The feeling of escape is guaranteed.

Rooms with a view

The 4* hotel has 333 rooms and suites decorated in a contemporary and warm style thanks to the omnipresence of beautiful Mediterranean colours. They all have large balconies and three quarters enjoy an extraordinary view of the sea, while others look onto the mountains.

Infrastructures and experience, for events until 300 rooms

The Monte-Carlo Bay Hotel & Resort is the venue par excellence for important corporate events. To date, it has hosted over 2,000 product launches, large conventions, incentives and meetings. Not only does it have the ideal infrastructure (special group entrance, heliport, a business center etc.), but also an incredibly skilled team because business tourism represents over 40% of room nights spent here (a privatization of all rooms is possible too).

15 meeting and banqueting rooms covering 14,423 sq.ft (excluding lagoon/outside space)

The meeting and banqueting rooms are on the ground floor and first floor. The latter is in fact entirely given over to these rooms. Like the bedrooms, most have splendid sea or mountain views. All have day light. The Salle America on the ground floor is the largest room. With 3,831 sq.ft, it can accommodate 340 people in a theatre arrangement and has a terrace and direct access to the garden.

A lagoon and Mediterranean gardens

The vast sandy-bottomed four-hectare lagoon and the Mediterranean gardens which surround it contribute to making Monte-Carlo Bay Hotel & Resort a unique venue for exceptional banquets and events.

Direct access to Sporting Monte-Carlo

Adjoining Monte-Carlo Bay Hotel & Resort, the Sporting Monte-Carlo houses one of the mythical venues on the Riviera: the Salle des Etoiles. With its incredible removable 10,763sq.ft roof, it is the setting for the most prestigious galas and amazing shows put on by international stars. It can also host (with accommodation compulsory in a Monte-Carlo Société des Bains de Mer establishment) meetings and gala dinners up to 950 people. The complementary nature of this unit, which also includes the Salle des Palmiers (up to 650 people) and the famous Jimmy's Monte-Carlo nightclub, contributes to making Monte-Carlo Bay Hotel & Resort an unrivalled destination in Europe for meetings, conventions and events.

Sports and leisure

Sport, leisure and relaxation are the undeniable signature of the Monte-Carlo Bay Hotel & Resort. Thus, in the **Blue Bay star-awarded restaurant**, Chef Marcel Ravin proposes gastronomic cuisine in the form of an invitation on a journey between the Mediterranean and the Caribbean. Perhaps he may even let a few privileged guests discover his secrets in his **cooking classes**? The invitation to relax continues in the hotel's splendid SPA Cinq Mondes (9,687 sq.ft) or on the shores of the **tropical lagoon** or in its **fantastic infinity pool**. In addition, there are **23 tennis courts** at the nearby Monte-Carlo Country club and an 18-hole golf course at the **Golf Club**. At night-time, the **Blue Gin** is a great place to meet before venturing into the **ultra-modern casino** at the heart of the hotel, or why not set off to **Jimmy'z** to dance into the early hours.

Monte-Carlo Beach

Chic and intimate

A Relais et Châteaux boutique hotel

With its large seaside terrace, the Monte-Carlo Beach hotel is a haven of peace. Built at the end of the 1920s, it has been the favourite destination for those who want to enjoy all that Monte-Carlo has to offer for over a century, with a combination of discretion and "dolce vita" and the spirit of the Riviera in the 1930s.

Rooms by India Mahdavi

The hotel has 40 rooms and suites, 99% of which with a sea view. This 5* hotel has been entirely redecorated by the famous architect and designer India Mahdavi in a modern and elegant "Riviera style" which has turned it into a chic and intimate destination. It is ideal for smaller prestigious events and can be fully privatised.

Atypical areas

The hotel has a 753 sq.ft salon – Salon Eileen Gray – which can host up to 80 people for a cocktail party.

Monte-Carlo Beach offers an immense Art Déco banqueting room (4,660 sq.ft) and a vast terrace on the edge of a spectacular Olympic-sized pool. Facing the sea, in the shade of the palm trees, Le Deck regularly hosts product launches or large cocktail parties from April to October, which can accommodate up to 600 guests.

It also has venues which are as exclusive and intimate as can be. Take the example of its star-awarded Elsa restaurant and its fantastic seaside terrace, or its restaurant-lounge, La Vigie. Shaded by the pine forest and with nothing but the sea for a view, this little known place can host 120 people for a banquet and up to 240 for a cocktail party.

Sea and well-being

Thanks to Le Deck and its **Olympic-sized pool** and **beach** with private cabanas, Monte-Carlo Beach is the hotel for anyone wanting to combine business tourism and **the joys of the beach**. It is possible to take part in **jet skiing, water skiing or parasailing and flyboarding**. These moments of relaxation can be extended with a treatment in a very lovely spa, **Spa Le Tigre Monte-Carlo** (Le Tigre and Tata Harper products) or in the **star-awarded 100% organic restaurant Elsa**.
